

# 40<sup>th</sup> Anniversary Fun Fair Highlights

Many thanks to all participants who took part in our 40<sup>th</sup> Anniversary Fun Fair! As the first of the events celebrating the school's 40<sup>th</sup> Anniversary, the fabulous two-day Fun Fair was a resounding success.

Our school campus was abuzz with laughter and delight, as we kicked off the event with a heartfelt and solemn ceremony. Our Principal, Ms Deborah Meech, gave an opening speech, followed

by the ribbon-cutting ceremony by our honourable guests including The Rev. Wong Lai Ha, Vice-Chairperson of the PTA Mr. Lam Chun Kit, Chairperson of the Alumni Association Mr. Ho Chun, Teacher Representative Mr. Wong Yuen Chun and

student representatives. The opening announcement made by our school's Supervisor Mr. Lai Kam Cheung J.P. officially marked the beginning of the two-day festivities.

Big smiles on the faces of prize winners leaving the prizes station were a common sight. Many great prizes were won and nobody left empty-handed! Squeals of

joy and merriment could be heard throughout the campus as students, teachers, alumni, and the Tai Po community fervently tested their skills at the 27 game stalls at the basketball courts. MST students showcased their ingenuity with a wide variety of creative game stalls,

such as fishing games, skee ball games, shooting games and even a remote-controlled robotic-arm grabbing game made by the Parent-Teacher Association!

Students also competed for the honour of winning the prizes for the Most Popular Game Stall, the Best Design and the Most Environmentally Friendly Game Stall. Congratulations to classes 5A (the Champion), 5E (the First-Runner-up) and 2A (the Second Runner-up) for the Most Popular Game Stall Prize. 5D won the prize for the Best Design and the Most Environmentally Friendly Prize was awarded to the joint Mathematics Society and Science Society game stall.

The Fun Fair also attracted many alumni who returned to MST to visit their beloved school and favourite teachers. Everyone could feel the love expressed by all the alumni who came to revel in the jubilant celebration with bright smiles and spirited excitement. All in

all, the Fun Fair truly started off the MST 40<sup>th</sup> Anniversary celebrations at a soaring height.
