

SKH Bishop Mok Sau Tseng Secondary School

40th Anniversary

Home Coming Day (7 March 2015) Highlights

Alumni Friendly Football Matches

We received an overwhelming response from former students to participate in our Home Coming Day alumni football matches. In total, 19 team applications were received including graduates ranging from the 1980s all the way to last year's alumni. We managed to accommodate 12 teams, which involved over 100 alumni, and we drew lots to determine the participating teams. All of the team members were thrilled at the opportunity to play football once more on the school grounds!

Photos, Souvenirs and Reunions

In the school hall, alumni could take fun photos of themselves in school uniform and on a student card. They could also meet their former teachers and schoolmates and buy attractive 40th Anniversary souvenirs.

Handicraft-making

Alumni could hand made their own unique 40th Anniversary handicrafts in the Art Room.

Teacher-Alumni Invitation Football Match

The highlight of Home Coming Day was the exciting teacher-alumni football match. Players include current and former MST teachers, as well as alumni from 1980 up to post-millennium graduates. The crowd of teachers, alumni and families had a wonderful time cheering on their favourites during this hotly contested match. The final result was an agonizingly close 5-all draw!

Home Coming Day was a great success enjoyed by alumni and teachers alike. MST looks forward to welcoming our enthusiastic alumni again for future events!
